M-learning is the exciting art of using mobile technologies to enhance the learning experience. Mobile phones, PDAs, Pocket PCs and the Internet can be blended to engage and motivate learners, any time and anywhere.

Tribal CTAD, the specialist UK educational software team within the Tribal Group, is a world leader in the design and implementation of m-learning technologies. With our help you can combine best pedagogic practice with our advanced software tools to make m-learning work for you.

Site also includes products, definitions and case studies.[Site link](#)
